Lighting Department Technician

Full Time Warehouse Position with Gig Work

Contact to discuss pay

Must be Nashville based

Requirements:

-Good work ethic and a great attitude first and foremost.

- Ability to communicate clearly and efficiently with both DCR leadership, Tour Staff, Warehouse Staff and Local Vendors.

- 2+ Years prior road and warehouse experience maintaining, setting up, and troubleshooting lighting systems.

- Diligence: someone who has shown that they can consistently do the work asked of them to the best of their ability, whether it be in the warehouse or in any other facet of the job.

We are looking for a complement to our DCR Nashville team that will exceed the expectations of our leadership and those of our client. We will not relocate candidates for this opportunity.
